

## PROJECT LIST FOR HOME

### Safety Projects:

- Secure tall furniture
- Insert electric outlet safety covers
- Install cabinet safety locks
- Install/check smoke and carbon monoxide alarms

Home Maintenance: (If you own your home, you are responsible for maintenance and repairs. If you have a landlord, most maintenance and repairs are typically the landlord's responsibility).

- Under the sink-do not allow child to have access to chemicals, repair leaks, reset garbage disposal
- Laundry- repairing leaks, cleaning dryer filters/ vents and high efficiency washer filters
- Clogged drains-shower/tub, toilet
- Plumbing leaks-tighten and Teflon tape
