Medical Bill 2 _____			
*Other			
<b>Total Debt</b>	<b>\$</b>		<b>\$</b>

**\*When finding a monthly amount....If you have a weekly total, multiply this by 4.33 to get a monthly amount. If you have a 2-wk total, divide by 2 first (to get a weekly amt), then multiply by 4.33 to get your monthly amount. If you have an amount paid twice a month, multiply by 2 for the monthly amount.**
